## **Carocon President Receives CFMA's 2014 Executive of the Year Award**

CHARLOTTE, NC (November 21, 2014) –Carocon Corporation is proud to announce that President Ambrose Dittloff has been named Executive of the Year by Construction Financial Management Association (CFMA). The award recognized Mr. Dittloff as an area Construction Executive (executive level of management) who understands the importance of involving a financial function within Carocon in the decision making process. Mr. Dittloff illustrates an innovative approach to capitalizing on the financial resources to further the success of Carocon and, has consistently demonstrated a commitment to improving the Charlotte community.

Since 1974, Mr. Dittloff has worked in construction and design of residential, commercial, institutional and industrial facilities. His leadership credentials include: executive, senior management and project management-level positions with two International EPC Firms. Mr. Dittloff graduated from N.C. State University with a degree in Civil Engineering, is a Registered Engineer in Puerto Rico and holds General Contractor Licenses in North and South Carolina. Mr. Dittloff is an Urban Land Institute member where he serves on the National Multifamily Product Council, the Charlotte Apartment Association and has served as the President on the Board of Directors of Charlotte Trolley, Inc.

### **About Carocon Corporation**

Since 1972, Carocon has provided construction-related services to real estate developers and owners who value discriminating workmanship and open, honest communication. Headquartered in Charlotte, North Carolina, Carocon specializes in pre-construction consulting, construction management and construction of wood frame buildings. Over the past 40 years, they have completed over 200 projects and 20,000 residential units. For more information, visit [www.carocon.com](http://www.carocon.com).

### **About CFMA**

Founded in 1981, CFMA is the only organization dedicated to bringing together construction financial professionals and those partners serving their unique needs. The General Members and Associate Members have year-round access to the CFMA's educational events, sponsorships, and community service events.
