CAROCON CORPORATION ANNOUNCES KEY PERSONNEL CHANGES

July 14, 2015

Carocon Corporation is pleased to announce the following promotions: Scott Allen to Vice President, David Wheeler to Project Manager and Seth Caldwell to Assistant Superintendent.

Scott Allen and David Wheeler both joined the Carocon team in 1996 as Assistant Superintendents. Mr. Caldwell joined Carocon in 2011 as an Intern.

Carocon President Ambrose Dittloff states "It has been Carocon's goal to train, develop and promote from within. These three gentlemen are a result of that practice. They continue to perform exceptional work and we are excited for their continued success."

About Carocon Corporation

Carocon Corporation is a provider of construction services focused solely on wood-frame multifamily projects. Since its founding in 1972 the Company has built in excess of 22,000 dwelling units with over One Billion Dollars of revenue. In 2015, Carocon was ranked fourth in the nation by volume by Multifamily Executive Magazine.
